

Bin Filler

HIGH VOLUME

BRUISE FREE

BIN FILLING

This new bin filler with its quiet & trouble free hydraulic system can handle a large volume of fruit. It also has a variable speed control on the let down belt and powered placement brush, this allows handling of more sensitive fruit.

STANDARD FEATURES

- Adjustable to fit most graders and bin sizes
- Large collection belt allowing time to change bin
- Adjustable electric eye for accurate head control
- Swivel brush head which lays fruit in center of bin as head moves up
- Discharge belt automatically stops when bin is full
- Can be set up with roller or powered track for automatic operation
